To update your copy of API 650, replace, delete, or add the following pages as indicated.

Date: November 2009 - American Petroleum Institute

It has been too long since I posted information concerning changes about the 11th Edition of API-650. Here is the next part having to do with changes in Section 5, which is design. This used to be Section 3. 5.1.3.6.1 specifies that multipass welding is required for manual welding processes on fillet weld legs or groove depths greater than ¼".
