plus jazz and blues styles. You'll learn about chord group memorization and clusters, special suspensions, visualizing the root, mapping out the neck, modal interchanges, "squeezing" the chords, and a whole lot more.

Andy Summers - Guitar | Hal Leonard Online

Andy's guitar playing

Download Free Hot Licks Andy Summers Guitar

was a signature of the power trio's sound: weird atmospheric chord pads and percussive guitar skronk that set the stage for punk rock and ska guitar that is so common now. What few know is that Andy is an extremely creative and serious guitarist who is rooted in the Jazz tradition.

The tuners on this guitar are German Schaller heads which look funny, but work great. An extra shiny string tree was added as well. The machine heads and extra string tree are the ONLY thing that Andy did to the guitar after he bought it. This image has been resized. Click this bar to view the full image. The original image is
