Trauma Recovery/HAP 2911 Dixwell Avenue, Ste. 201 Hamden, CT 06518

### Trauma Recovery/HAP | EMDR International Association

EMDR therapy is a phased, focused approach to treating traumatic and other symptoms by

reconnecting the client in a safe and measured way to the images, self-thoughts, emotions, and body sensations associated with the trauma, and allowing the natural healing powers of the brain to move toward adaptive resolution.

### **EMDR Therapy for Anxiety, Panic, PTSD and Trauma**

A resource collection that may be helpful on the journey to heal trauma caused by racism. We are continually learning, UNlearning, and growing as we empower each other to dismantle systems of racism and oppression.

### **EMDR International Association Home | EMDR Practitioners**

EMDR therapy shows that the mind can in fact heal from psychological trauma much as the body recovers from physical trauma. The brain's information processing system naturally moves toward mental health. If the system is blocked or imbalanced by the impact of a disturbing event, the emotional wound festers and can cause intense suffering.
