Daylilies are some of the easiest perennials to grow, filling almost any space in the garden with a variety of shapes, colors, and sizes. Countless new hybrids are released every year in addition to the tens of thousands of cultivars already registered. Because the flowers last only one day for most plants (hence the name), you may want to grow lots of different varieties for a long-term ...

Double Crown daylily. If there's a "sure bet" perennial, it must be the daylily. They thrive from Minnesota to Florida (zones 3 to 9), tolerate a wide variety of soil conditions, are not troubled by diseases or pests, and bloom faithfully for years with virtually no attention. The daylily's botanical name, *Hemerocallis*, means "beauty for a day", and indeed most daylily flowers open in the morning and die by nightfall.
