Superbills & encounter forms help you save time and capture all charges from your patient visits. You can configure a custom Superbill for each provider in your practice, print Superbills with prepopulated patient information from the appointment scheduler, and use those Superbills to document the charges for your patient visits. By using forms customized to your unique needs, you can save time ...

Superbills & Encounter Forms | Kareo

We strongly recommend creating an encounter and documenting the visit. Use standard templates or a narrative note and bill by time. Again, document as you would during an in- person visit. You also can e-prescribe and place orders, although diagnostics will require an in - person visit. Education and counseling can be provided through these visits.
