“The word ‘entrepreneur’ is used far too frequently in business. Entrepreneur is a word for a person who is a one-off. A special person who is a measured risk taker, a true natural business mind who is full of enterprising ideas that work. I do not attribute many people I have met as this but Angela is a true entrepreneur.

Entrepreneurs know the value of healthy eating to empower their minds. When you're working to meet a deadline, or have a lot on the go, it's easy to skip lunch and opt instead for junk food. Furthermore, when stress is high your body craves high-fat, sugary "comfort foods" that ultimately lead to overeating, says Harvard Health .
