TCKWorld: The Official Home of Third Culture Kids (TCKs)

The official definition of a "third culture kid" is a child who's grown up in a culture that's not the one their parents are from. So you have your first culture: where your parents are from; your second culture: where you grow up; and your third culture... the one that's a mix of the two. It's a confusion of cultures.

The Struggles Of Being A Third Culture Kid

One related term being seen with increasing frequency is third-culture kid, i.e. a child who grows up in a culture different from the one in which his or her parents grew up. The "third culture" is influenced both by their parents' culture and the culture in which they are raised.

What is a Third-Culture Kid? | Merriam-Webster

For third culture kids — people who spent their formative years moving from country to country — there is often both an expansive quality to the relationships and experiences they amass in their youth, as well as a lot of existential tension that others don't generally have to wrestle with.
