How to wire a trailer plug - 7 pin (diagrams shown) - YouTube

The most popular Anderson plug size is the 50A plug. A 12-pin plug is sometimes an alternative to an Anderson plug if the caravanner wants just one electrical connection between car and van. However, there is an important downside. The 12-pin plug can only take a 6mm-diameter wire, so it will not provide the charge of an Anderson plug system.
