Music of 20th Century - SlideShare

This century has seen many changes in popular tastes and styles as well as personal and social values. The world of Western art music has experienced the same rapid changes in style. One general trend of twentieth century composers is a tendency to experiment and find something new and different.

20th Century Music | ListenSmart.com

The 20th century was a time of experimentation in classical music. Composers during the beginning of the 20th century rejected what they considered the harmonic excess of the late 19th century romanticism. Although some composers chose to compose in older styles many sought to find their own way to simplify music.
