Warfare and Defense Warriors and Leadership ... If a family lost a member in war or a raid, the person who committed the killing could provide goods -- food, clothing, or weapons -- to the bereaved family. If the family accepted the gifts, the killing was forgotten.

Warfare and Defense | Milwaukee Public Museum

Medieval warfare is the European warfare of the Middle Ages. Technological, cultural, and social developments had forced a severe transformation in the character of warfare from antiquity, changing military tactics and the role of cavalry and artillery (see military history). In terms of fortification, the Middle Ages saw the emergence of the castle in Europe, which then spread to the Holy Land ...

Warfare Raiding And Defence In Early Medieval Britain

This essay will demonstrate that commerce raiding is an extension of peacetime economic policies, such as trade wars and sanctions, that increase in intensity through to outright warfare. Trade wars between the US and China, and sanctions on Iran, therefore increase the likelihood of a return to commerce raiding—just as American embargoes on Japan in the 1930s presaged a military campaign ...

Amphibious warfare is a type of offensive military operation that today uses naval ships to project ground and air power onto a hostile or potentially hostile shore at a designated landing beach. Through history the operations were conducted using ship's boats as the primary method of delivering troops to shore. Since the Gallipoli Campaign, specialised watercraft were increasingly designed ...
